

UKUDLA
African German Centre
for Sustainable and Resilient Food
Systems and Applied Agricultural
and Food Data Science

Call for Applications

Short term scientific visit in South Africa or Malawi

The *African German Centre for Food Systems and Data Science* funded by German Academic Exchange Service (DAAD) with funds from the Federal Ministry of Research, Technology and Space, Germany offers the opportunity for **German researchers and university lecturer** (research or teaching stay) to visit our UKUDLA Centre for scientific exchange as part of short-term measures (weeks up to 6 months).

- The primary aim of UKUDLA is to develop scientists' expertise in sustainable and resilient food systems and applied data science. We can support activities such as participation in relevant (research-related) events as well as academic training and research visits.
- **Individuals can be supported with travel cost and a lump sum of 111 euros/day.**
- **Applicants must be based at a German University (preferentially at Hohenheim), applications can be submitted anytime.**
- For further information ***contact us directly or via ukudla@uni-hohenheim.de***

We are looking forward to discuss this opportunity

Prof. Dr. Christine Wieck
(Project Leader)

Prof. Dr. Thomas Dimpfl
(Co-Project Leader)

Dr. Marcus Giese
(Project Manager)
